Welcome – Staff Council Chair opened the meeting at 9:00 a.m. with brief remarks, and introduced Dr. Marrero, president.

Presidential Updates and Comments – the President took time to celebrate university accomplishments (i.e., SGA elections, commencement, honors, awards, etc.).

- President’s Learning Network – the president assigned each Vice President (VP) to identify individuals within the organization to serve as part of a consultancy group. The purpose of this group is to be constructively critical about the organization’s current state. As part of this initiative, three action areas for improvement were identified:
  1. Communication
  2. Trust
  3. Transparency

- Strategic Plan – the Strategic Plan is in a draft state and will be shared with campuses. Five pillars have been identified. Each pillar will have key performance indicators that will then be reported to campus by means of scorecards. Each VP will share scorecard ratings with the campus community during open Town Halls in the Fall.

- Vision Statement – president shared with the Staff Council the vision statement, which is currently in a testing phase: People... Purpose...Action. Growing Ourselves, To Grow Others. Dr. Marrero solicited feedback from the Staff Council members in attendance.

- Communications – the president solicited feedback on recent communication initiatives coming out of his office, such as emails. The main objective is to ensure communications to campus are effective and transparent.

- Strategic Enrollment Plan:
  ○ Undergraduate Applications up from last year, 14.5%
  ○ Undergraduate Accepts up from last year, 13.1%
  ○ Graduate Applications up from last year, 12.5
  ○ Graduate Accepts up from last year, 16%
● Comprehensive Administrative Review (CAR) – the president recently received the Chancellor’s approval of the CAR Plan; the leadership can now proceed with Phase 1 of the plan.
  ○ Communication will be sent regarding the organization’s decision to move the organizational structure into a centralized environment (of services).
  ○ Employees affected by re-organizational decisions will be notified in the next couple of weeks.

● Commencement report – nine ceremonies in 36 hours. A survey went out to all constituents and is currently being reviewed. A new plan will be forthcoming, to address any issues/lessons learned. Additionally, a decision has been made to implement a ticketing system.

● Staff/Faculty Equity – the report has been submitted to the USG on Thursday night for approval in the next couple of weeks. More information will be made available before the end of the fiscal year, July 1, 2019.

The president completed his report to the Staff Council and moved to solicit questions, comments or concerns from the group.
